

THE DoD SPECS SURETHREAD™

The U.S. Department of Defense has specified Wheatland Tube's SureThread continuous weld (CW) pipe for upcoming military projects. That's because SureThread is the sure choice for performance. It's made in the USA and made for machinability. The smooth weld seam and uniform grain pattern ensure strength and allow for easy threading, bending and cutting.

SureThread CW Standard Pipe

ASTM A53, Type F, Grade A

- ½-4 NPS
- Schedules 40 and 80
- Stock lengths
- Standard hot-dip galvanization

CO-LOAD SURETHREAD WITH ERW PIPE!

ASTM A53, Type E, Grade B

- 2-18 NPS
- Schedule 40
- 21' and 42' lengths in all sizes
- Hot-dip galvanization (21' only)

Meet the military's needs. Call **800.257.8182** to stock standard and fire sprinkler pipe from Wheatland Tube.
