

# WHEATLAND RIGID NO DOUBT IT'S DOMESTIC

Conduit and couplings made  
proudly at our mills in the USA

Need rigid conduit for projects that require domestic materials? Make sure it's from Wheatland Tube. Other suppliers add imported couplings to domestic conduit or import finished rigid conduit that's made offshore. But Wheatland's rigid metal conduit (RMC) is always 100% made and melted in the USA.

Visit [wheatland.com](http://wheatland.com) or call **800.257.8182** to find a local distributor.

## Wheatland's Rigid Metal Conduit
